ACS Chemistry for Life®

Women CHEMISTS Committee

The Women Chemists Committee Overcoming Challenges Award

Are you a student who has overcome challenges while studying and have defeated the odds? Tell us your story and you could be selected to attend the ACS Fall 2025 Meeting in Washington, D.C. This award is sponsored by the ACS Women Chemists Committee and recognizes an individual* undergraduate for her efforts in overcoming hardship to achieve success in chemistry. The award consists of travel to the meeting where you will be honored with a plaque and a $250 award.

*This includes women (both cis and trans) and persons assigned female at birth (AFAB).

For more information, please click here. The application deadline is April 1, 2025.
