The WCC is always excited to help deserving chemists get recognition for their hard work. Please visit <http://www.womenchemists.sites.acs.org/awardsrecognition.htm> to review all of the award opportunities and find information on how to apply for these awards.

If you would like to share your Committee or Division ideas for collaborations with the WCC, please plan to join our Executive Session on Saturday, August 23, from 4:00 – 4:30pm to give a brief overview of your collaborative interests. Please contact Kim Woznack via email at WCC@acs.org so we'll know that you plan to join us!
