

## Attention WCC Local Sections, Student Chapters, and International Chapters!

The ACS Women Chemists Committee invites you to be part of its **“95<sup>th</sup> Anniversary Celebration of the WCC”** by hosting an event to commemorate this special occasion and the work of women chemists around the world. To help with the event, WCC is offering a limited number of grants (up to \$100) for any local section, student chapter, or international chapter that wish to host an event.

### Grant Requirements:

1. The event must follow the WCC mission to “attract, retain, develop, promote, and advocate for women to positively impact diversity, equity, and inclusion in the Society and the profession.”
2. The event must have at least 10 participants
3. The following documents must be uploaded here:  
<https://fs7.formsite.com/acsdiversity/WCCLSGrant/index.html>
  - An electronic copy of your invitation/announcement.
  - A screen shot of your Twitter and/or Facebook post using the hashtags **#WCC95, #ACSWCC**
  - An electronic copy receipts from the event
4. All events must be held by November 1, 2022, so apply for your grant soon.

Grant funds will be awarded on a first-come, first-serve basis upon the approval of the National WCC. Feel free to include the WCC 95<sup>th</sup> Anniversary graphic for your event (see below). We hope you will be a part of this celebration!
